Tidings from the East Brothers!

April is finally upon and thank goodness for the warmer temperatures, sunshine the welcome positive emotions that Spring brings to all of us.

I first would like to thank all our members for making lodge visitations so successful. On Feb 1st, five Brothers attended Sol D Bayless #359 for their regular stated. On Feb 9th, three Brothers traveled to Garrett City Lodge #537 for their Master Mason degree. Then on Feb 24th, three Brothers visited Highland Lodge #762 for their Fellow Craft degree. Visiting these lodges really puts into perspective just how easy it is to join with our fellow Brothers and enjoy the benefits of the Fraternity.

A huge thank you is extended to Donna and Phil Thomas for organizing the Crazy Pinz Family Night. We rented a private four bowling lane suite that allowed our members and their families to really have some fun, and enjoy the fellowship of our members. There we about 30 total in attendance and a truly great time was had by all.

The individual members who were assigned to investigate Brothers who had not yet paid their dues, gave full reports of their contact with these Brothers. Remits were voted upon for three of our Brothers. Unfortunately, according to our By-Laws the Junior Warden had to confer charges against 13 Brothers who have not yet paid their dues.

Lodge improvements continue in various aspects. Brother Kevin Thomas PM, continues to work on the new front doors for security and energy retention are in and are just awaiting hardware.

Brother Cary Ragan has designed and is in the process of building two wooden pedestal apron holders for the lodge.

Renewed discussion continued regarding the Vending trailer and a motion was made and passed to all our Trustees to enter into negotiations to purchase this for the benefit of the lodge in fund raising activities. Phil Thomas has agreed to assemble a committee to of Huntertown Brothers to oversee the project and request help as needed.

Huntertown Lodge received two Scholarship requests from very worthy and well-qualified candidates. The paperwork to fully submit their requests was completed and put into the hands of Jay Young.

Upcoming April events for Huntertown Lodge include:

April 1st - Regular Stated Meeting - 7:30pm

April 16th - Family Card and Game Night with Potluck Dinner at 6:00pm

Fraternally,

Kurt Begue
