Greetings from the East!

What an incredible 2009 we had at Huntertown Lodge. I would first like to congratulate outgoing Master Bobby Yarborough, PM for his excellent guidance and leadership through the year.

Also, congratulations to the other elected officers, SW: Kevin Thomas PM, JW: Phil Thomas, Secretary: Bobby Wade PM, and Treasurer: Jim Emrich PM. In addition, thanks to all the officers of Huntertown that continue to allow our lodge to thrive and to serve our brethren.

Before I get started with our 2010 plans, I would like to take the time to remember two fallen brothers from Huntertown Lodge. James Eldon Lindley and Thomas William Garver, PM. Thom was our Senior Steward last year and as always, he would step forth and perform any duty required by the lodge. He was my mentor, and I want to continue to thank him for his wisdom and support. These brothers will be greatly missed.

In November we raised two new Master Masons, Jason Snyder and Cary Ragan. Both men are looking forward to joining the officer line and to make immediate contributions to the craft.

In December a petition was read for a candidate that attended the downtown Fort Wayne Temple Open House and was very impressed by the friendliness and open nature of the men he spoke with. We look forward to breaking in our new officers with some good solid practice and exemplary work during the upcoming degrees.

2010 promises to be a great year at Huntertown. We have a schedule full of activities, fundraisers and family interaction. I would really like to take the opportunity to extend a warm welcome back to all our brothers who have been away from lodge in a while. We miss you! I also look forward to seeing the families and children of the brethren as we will be holding many family functions.

Fraternally,

Kurt Begue - WM
