Tiding from the East Brothers!

April proved to be another very productive month and we got a lot of good square work accomplished. We made visitations to: Albion #97 and Columbia City #189.

April 16th we held a Family Card and Game Night Potluck that was very nice. Everyone who attended had a lot of fun. Many thanks to the Thomas family that helped setup and clean-up after the event.

April 30th, we assisted Churubusco Lodge in taking our fish fryers over and providing man-power to cook some excellent fish. Special thanks to: Kevin Thomas PM, Mark Goebel and Greg Burns for their work.

May 4th our new event sign was delivered and installed. We now have a much easier and most professional way of advertising our public events to the community. We look forward to putting this sign to work and increasing the attendance to all our events.

May 8th, we had a Lodge Garage Sale and Open House, which was very well attended and many of our families were able to go home with much less stuff than they brought, which is always a good thing. The weather was a little cold and windy but that did not deter the effort and spirits. While the families setup nearly 2,000 square feet of inventory to dazzle the garage-salers, Kevin Thomas PM, whipped up some delicious sausage burgers and hot-dogs that fed not only of lodge families, but many a shopper that could not resist the wonderful smells and tastes.

We received one petition and an investigating committee was assigned.

We continue to have a plethora of projects on going. We have doors to install at the front of the lodge, still lots of sausage to sell, getting the vending trailer ready to go for fair season.

Many thanks to Dave Evans for helping us get our Past Master's pictures up-to-date. Jack Maines is still looking into the water tap situation to see if we can get hooked up to city water and sewage. Jason Snyder made a presentation about visiting the Brothers who can no longer attend lodge and letting them know that they are not forgotten.

We are looking forward to a small slow down in June, that will allow us to catch our breathe and get ready for the Allen County Fair efforts in late July.

Important June Dates:

3rd Regular Stated

20th Family Trip to Fort Wayne Children's Zoo

27th St John the Evangelist Observance at Trinity Episcopal Church

Brothers, a special plea was made to all the officers and attendees of May's regular stated meeting. Each of us received two petitions and we were challenged to see if we knew of gentlemen who are worthy and well qualified, and to ask them if they would be interested in our Fraternity. Please help the lodge by giving them a petition and a personal invitation to join with us in this great and good work.

Fraternally,

Kurt Begue WM
