Greetings from the East Brethren!

The months of January and February have seemed to just fly by. Huntertown Lodge has been very busy with a variety of activities. Always remember to check the website calendar for times and dates of activities, and for those who do not have web access, please feel free to call and I can make you aware of those dates and times personally.

I would first like to thank the officers for doing a commendable job in conferring the Entered Apprentice degree on our newly initiated Brother. The two practices that we had certainly helped us in our proficiency. We have some FC practice scheduled and a FC degree scheduled for March 25th. I welcome everyone to attend.

In addition, we have a Family Bowling night scheduled for Friday, February 26th at Crazy Pins on Lima Rd from 6:00pm – 8:00pm.

The officers have also been busy visiting other lodges. We would like to thank WM Harold Eddy of New Haven #740, his officers and brethren for their hospitality, as well as WM Russell Greim, his officers and brethren of Sol D Bayless #359. We were also fortunate enough to be able to bring a petition to Sol D Bayless on our visit.

We look forward to attending the Ritual Workshop at Waynedale Lodge #739 on March 13th at 9:00am. Also, to the Area Conferences that will be held at the Three Rivers Lodge #733 on March 24th.

The lodge is planning a Family Breakfast and Open House on Saturday, March 27th starting at 7:00am. Everyone is invited to attend. \$5.00 for adults and \$3.00 for children under 12.

The Trustees are still working diligently on the new insulated doors that will be installed at the lodge, to replace the old glass ones. Also, the committee went out to look at and fully evaluate the vending trailer that the lodge is seeking to purchase for fund raising events.

There are still a few Brothers who have not paid their dues, these Brothers are being contacted by members of the lodge to find out how we can assist them rather than suspending their membership.

I am really proud of the effort that everyone has put forth in these first two months and I hope that we can continue to sustain this pace of growth, prosperity and harmony for the rest of the year.

Fraternally,

Kurt Begue WM
