Tidings from the East Brothers!

Wow the year is moving fast!

A successful week at the Dekalb County Fair was completed, our first year in this endeavor. We sure did learn a lot and hope that next year will be even better. Many thanks to Phil Thomas and Kevin Thomas, PM for their help and support.

We draped our Charter and mourned the passing of Brother Willard S Hankins who passed away Monday, September 6, 2010.

We ask that you keep in your thoughts and prayers, Claude LaRue and Doc Walsh. As well as the family of Brother Bobby Wade PM as his mother passed away on October 5. Also Don Surfus was taken in a tragic train accident on October 7.

A lodge workday has been scheduled for Thursday October, 14 at 5:30pm to winterize the vending trailer and to clean the lodge.

Honorary memberships were awarded to the following individuals for their service to Huntertown Lodge over the past year: Harold Eddy PM, James Bishop PM, Kent Jackson PM and Henry LaHurreau PM. We very much appreciated their help this year.

Several members made comment regarding the lack of accuracy of our membership list, specifically relating to phone numbers and e-mail addresses. A special note is going out to all members to have them update their information. Also, we are making a plea to some of our older members to come back and share in the fun that is ongoing in our lodge.

We were invited to New Haven lodge by Brother David Ferguson Sr, to participate in the Feast of St. John. This will be happening on Monday, December 27th at 7:00pm at the New Haven lodge.

In making one of our final visitations of the year, Brothers from Huntertown journey to Vincennes Lodge #1. We had a great time and helped them put on the Fellow Craft degree. A very kind thank you letter was received from Brother Chuck Sebring thanking us for our help. Thanks to Mark Goebel, Andy Holman and Adam Wagner for making the trip.
