Tidings from the East,

I would like to start off by thanking PM Robert James Thomas, PM Ron Carner and PM Robert John Thomas for performing the installation on Dec. 29<sup>th</sup>. Along with all the family members that attended to support our lodge. The January meeting was great and we have all our committees for the next year finalized. I look to see a lot of good things coming from those committees. We have many young members and there are eager to make things happen.

Coming up next month we are having a bowling night on February 11<sup>th</sup> at 7:00pm. It will take place at Crazy Pins on Lima rd. If you are interested in attending please let me know. You can contact me by phone or email with the info listed above. We will also be continuing with our Masonic study night on the forth Thursday of the month, February 24<sup>th</sup>. This is a great night to come and catch up on what is going on at the lodge along with learn more in Masons. Maybe just come and catch up with some brethren that you have not seen in a while or have never met. There is not a business meeting that you have to sit through it is just an informal study and fellowship time.

In closing I would just like to say that this will be a busy year. The more members that participate the easier some of these functions will be on the members. This is most important when it comes to fundraising, so that the same members don't have to do all the work. The more success we have fundraising the less we have to worry about rising cost. We are already planning for the Allen County Fair where we will be working the pull strip concessions and having a Dinner and Breakfast again this year. Also we will be utilizing our concession trailer at several other events. Please come and help with all you can.

Fraternally

Phil Thomas
