Greetings Brethren,

I hope everyone is doing well through all the dramatic weather that we have received over the past month. We had our first study night the end of January and it was a great success. Everyone that showed up said that they really enjoyed the new method of holding a practice as to combine the education with it. It allows you to learn the work, the meaning and the symbolism all at the same time. If you can make it to this months study night I think you will find it very informative and if you have not been to lodge for a while it would be a great time to get refreshed. Study nights are awesome for growth in the fraternity and the brotherhood of the lodge.

February's meeting went very well. Also the bowling night at Crazy Pin's was a good time even with a very weak turn out. I hope that everyone will make coming out to family activities an important part of their Masonic devotion. The year's activities schedule was gone over for all the family events. They are on the Web site (www.huntertown689.org) and are open to all members, including widows and orphans, their families and guest. In March we are having a lodge game night and potluck on the 11th at 6:30pm. Then on March 19th from 7am-9am there will be a breakfast at the lodge with all the proceeds going to The American Cancer Society. On March 22nd is the Area Conference at the Waynedale Lodge starting at 7:00pm. Last for the month is study night on the 24th at 7:00pm. Don't forget the stated meeting on the 3rd with practice at 7:00pm and lodge starting at 7:30pm.

There is little time left to pay your dues. Those of you that have not paid please contact some one at the lodge immediately and get them paid. We do not want to lose any of our brothers when we are here to help all of them that may need it. Also we are working on getting as many of the lodge members involved as we can into the ritualist program. This program does not require but for you to fill out the paper with what ritual work that you have performed at anytime during your Masonic Life and send it in with \$10 and if you have at least 300 points you will have already qualified for the first level (Ritualist). In closing I would like to thank brothers Kurt Begue and Kevin Thomas for their discussion on the 5 points of fellowship at lodge this month. If you have not been to a lodge function in a long time come and join in the activities or just drop us a line.

Fraternally,

Phil Thomas
