Greetings brethren,

The April stated meeting went well. We voted in a new member for plural membership from New Haven Lodge. Welcome to Mike Fisher for joining Huntertown Lodge. We had another great family night with good food and fellowship. I would like to take this opportunity to thank Jim Bishop for setting up the trip to the Schofield House on the 10th of April. We had 3 members in attendance to Madison for the Grand Masters Pilgrimage. It was a great trip with a lot of good fellowship and a neat look back into history. I recommend that all Masons try to visit Madison and see the Schofield House and the start of our great fraternity here in Indiana.

Coming up in May will be the stated meeting on the 5th at 7:30pm with practice at 6:30pm. There will also be a garage sale at the Lodge on the 5th, 6th and 7th from 9:00am to 6:00pm. This will be in conjunction with the town garage sale. Then on the 14th will be our Zoo Day with a picnic at 11:30am and then enjoying the Zoo after. On the 17th and 18th will be the Annual Communication of Grand Lodge. The last thing of the month will be our monthly study night on the 26th at 7:00pm. I hope to see more members that have not been to a lodge function come and enjoy in some of the fun activities we have planned. We do welcome members from any lodge and their families. For more details give me a call or check our web site www.huntertown689.org.

Our stated meeting in May we will be forming a lodge beautification committee. We will also be discussing the conclusion of the financial review we had on the 14th of April. This will help with the June meeting when the decision of whether or not to raise dues or not in the next years. I recommend all that are available to attend and help with this difficult decision come to the next couple of stated meetings.
