Dear Brothers,

I hope that you are enjoying fall. We have seen some changes in the lodge along with the season in the form of new entry doors on the building and some other improvements with the restrooms and such. Our fundraising out at the Dekalb County Fair went well. The simplified menu was much more manageable over last year it is a shame the weather was so bad. However we did make money. I would like to give my apology to anyone who may have shown up for our EA degree in October. I did have to cancel it due to the candidate had passed away the day before.

In November we will be having our stated meeting on the 3rd at 7:30pm. Also on the 11th we will be having a family game night and dinner for all of our veterans in the lodge at 6:30pm. If you would like to attend please try to RSVP myself or one of the officers. There will be no practice at the end of the Month due to Thanksgiving. I would like to here from any of the brothers that have not been to lodge in awhile and have called and talked with several of them already. I am working on making our lodge family friendly to involve everyone and have a fun time in learning to be better men. If you have suggestions as to thing you would like to try or do let me know.

Thanks from the East
Phil Thomas W.M.
